**Lundy** is the largest island in the Bristol Channel, 12 miles off the Devon coast. The Landmark Trust rescued Lundy in 1969 when we took on the island's lease from The National Trust and we now manage 23 buildings and a camp site. People return time and again to the simple pleasures that Lundy offers; the sea is clear, the landscape spectacular and at night the stars shine with unfamiliar brilliance.

## 1. Getting to and from Lundy

Most visitors to Lundy travel on the Island supply ship *MS Oldenburg*. Sailing times and prices are available in the current Lundy brochure, Landmark price list or on the website.

**Tickets must be bought a minimum of 14 days before departure** by telephoning the Lundy office on 01271 863636.

We require the name, gender and age group (adult/child/infant) of each passenger. Children are classed as being between the ages of 4 and 15.

**It is imperative that you call our information line on 01271 863636 after 8.00pm** the evening before your departure to check sailing times. Weather may sometimes force changes to sailing times (and very occasionally ports) if particular winds are forecast *MS Oldenburg* may have to sail prior to scheduled times.

If adverse weather forces sailing cancellation, providing you already have tickets to sail on *MS Oldenburg* we will arrange for a helicopter (subject to availability and flying conditions) to transport you to, or from, the Island at a subsidised cost of £37 per person and £9 for infants under 2 years old.

Helicopter journey time is normally only six minutes, but at busy times because of limited capacity it may take several hours to transport everybody to/from the Island and facilities at the heliport may be limited – further details are available from the Bideford or Ilfracombe offices.

For details on our refund policy please refer to the Lundy booking conditions or Landmark Trust website [www.landmarktrust.org.uk](http://www.landmarktrust.org.uk)

**Please let the Island know if travelling on your own arranged transport.** There is a landing fee of £6 per person (National Trust card carrying members are free). Should you wish us to transport your luggage to the top of the Island, this must be arranged prior to your arrival and there is a charge of £3 per person (minimum charge £10) for this service.

Please be aware we do not operate a cancellation insurance scheme and strongly recommend that you ensure you have your own appropriate cover.

## 2. Luggage

- Check-in luggage allowance is strictly **20kg per person**, (excess charges apply) no single piece of luggage should weigh more than 20kg if combining luggage allowances.
- With the exception of hand luggage, all other luggage is carried in the ship's hold and then transferred to the top of the Island before being delivered to your property. At busy times this can take several hours and sometimes your luggage may not be delivered until late afternoon, so please plan your packing accordingly! **Please note: We strongly advise that you keep any medication in your hand luggage.**
- Climbing equipment must be checked in and carried in the ships hold. It will be unloaded immediately upon arrival at Lundy.
- Please ensure luggage is securely packed, compact, not too smart and reasonably waterproof. We will not accept responsibility for damage (unless unequivocally caused by negligence on our part).
- If you are considering bringing anything unusual (gas bottles, outboard motors, kayaks etc.) please contact the Lundy Shore Office well in advance of your journey for advice.
- Please label each piece of luggage with the property name in which you are staying and your name. We provide coloured labels upon check in at the Shore Office.
