

LUNDY POSTAL SERVICE ORDER FORM v27

The earliest recorded date for any kind of postal service based on Lundy is 3rd March 1887, but it was not until 1929 that a private postal service was established on Lundy.

Since 1929 over 350 Lundy stamps have been issued, many of them now very rare and highly collectible. Some 40,000 pieces of mail are sent from the island every year and Lundy is the oldest private postal service operating in the world today.

For your information, all denominations for each stamp issue are shown. We do not split mint sets or presentation packs.
