KS3, GCSE AND A-LEVEL GROUPS

We would be happy to work with you to create a custom itinerary for your day depending on the subject your group is here to study and the age group. The itineraries below may help give you an outline of the places you could visit on your trip.

Once you have had a look through please let us know where your group might like to go and what you would like us to cover and we will then create an itinerary.

BIDEFORD DAY ITINERIES

LUNDY ON THE LAND

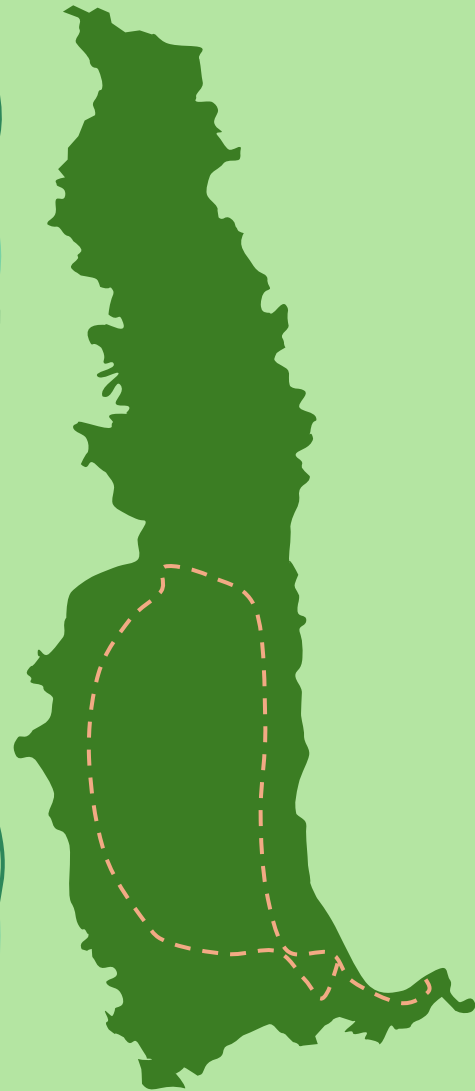

Themes covered:

- Lundy cabbage
- Lichens and air pollution
- Lundy's mammals and conservation grazing
- Puffins and other seabirds
- Insects
- Historic landmarks: The Old Light and Castle

Bideford Day Itinerary:

- Introduction in the boat building
- Walk up beach road, looking at **Lundy Cabbage** and other wildlife of interest
- Toilet stop in campsite
- Walk north up main track, looking for **lichens** using 'binocular microscopes'
- Quarter wall- stop to introduce 'whose poo' - **Lundy mammal bingo** and talk about **conservation grazing** on Lundy
- **Jenny's Cove**- Lunch and **Puffin** spotting!
- Walk down west coast, continuing 'Whose Poo?'. Look for **insects** as we walk.
- Stop at **Old Light**- split into two groups to **go up the lighthouse**, whilst other half play 'Lighthouse Keeper Relay Game'
- Back to campsite for toilet stop
- Either visit the shop or the **Castle**.

LUNDY BY THE SEA
